Greetings,

I'm proud to introduce  
myself and my colleagues  
to you, as the Nexus of  
Wanderers. As the name  
implies, our small but  
thrustworthy guild is  
mainly formed by  
wanderers, people who  
enjoy exploring and  
adventuring.

Our first journeys made  
us arrive to the  
wonderful city of  
Moonglow, which has been  
our favourite meeting  
place since then. However,  
we are aware of the  
fact that these lands  
have their own rules and  
government, which we  
wish to respect. Should  
you wish to contact us  
about the rules you have,  
we are found quite often  
hanging around the  
Moonglow Bank. We wish  
to, if possible, sign a  
treaty with the Moonglow  
Town Council, to ensure  
peace. However, our  
neutral and mostly  
pacifistic nature keeps us  
from any form of human  
wars, and we hope you  
can respect this. I'm  
looking forward to a  
reply. Sincerely,  
-Aby, Holy Bard and  
Guildmaster of the Nexus  
of Wanderers.
